

AGENDA

Visit of Ibagué and Piedras, Colombia delegation to Graz, Austria

24 to 29 September 2018

“Urban – Rural Integration”

GOAL OF THE VISIT:

The objective of this second mission is to work on the cooperation topics between Ibagué/Piedras and Graz, which were detected during the first visit of the delegation of Graz to Ibagué and Piedras and through the formulation of the joint action plan on the areas of mutual interest related to River Enhancement, Co-working spaces and Entrepreneurship and smart cities.

This visit will explore how the city of Graz and its region, in collaboration with other stakeholders, is creating and developing strategies for an innovative approach to river management and restoration, smart cities and entrepreneurship. A set of projects and institutions will be presented and visited to define the projects for future collaboration.
