

## AGENDA

### Visit of Graz, Austria delegation to Ibagué, Colombia

8 to 13 April 2018

#### “Urban – Rural Integration”

##### GOAL OF THE VISIT:

The goal of this first visit is to better understand how Graz and Ibagué can cooperate in future projects and establish a collaboration amongst the two cities in the field of interest, namely Urban – Rural Integration (mobility and energy infrastructure).

In this visit, we will explore how the city of Graz, in collaboration with other stakeholders, is co-creating and co-developing strategies for an innovative approach of the Smart City and the integration of the Urban and Rural areas. A set of Projects and entities will be presented and visited in order to settle the bases of the future collaboration.
